Subject: Re: Bonamy House - Mr James Collings

Dear Jim

I have been contacted by the above-mentioned Mr Collings, who has requested from Cadastre information to indicate that offices were present in the property, Bonamy House, St James Street, St Peter Port – Cadastre property reference A201080000, since the year 2000.

I am not entirely sure of the purpose of Mr Collings request, but as far as Cadastre records are concerned it does appear that commercial offices have existed in the building since at least 2004. I have attached a copy of the 2004 TRV account to support this. I did explain to Mr Collings that we do not currently have the time or resources to produce a copy of every TRV and TRP account back to 2000 but the assessment transaction history on the Cadastre record does indicate that offices have been in the building since before 1998.

I hope this information is useful in respect of this query.

Regards

Nick Brown
